FASHION DESIGN

participates in Family, Career and Community Leaders of America Co-Curricular Club and is a two year course that provides training in concepts and skills in the areas of Clothing Services and Fashion Design. Students learn the basis in sewing skills, color selection, wardrobe planning, fabric selection and care, and fabric and fiber identification. Many opportunities are provided for custom dressmaking. Students learn to modify patterns and design clothing through the use of the most advanced pattern drafting software programs. Internships are available for second year students.
